Subject: Conditional Approval of Amended Notice to Commence Large Mining Operations, Sunroc Corporation, Levan Henry Mine, M/023/0023, Juab County, Utah

Dear Mr. Sumsion:

The Division of Oil, Gas and Mining approves the surety calculations for the Levan Henry mine which were received December 20, 2013. They will be incorporated into the Notice of Intention to Commence Large Mining Operations (Notice).

The Division now requires that you increase the reclamation surety from \$99,735.00 to \$160,000.00. Please contact Penny Berry at (801) 538-5291 or pennyberry@utah.gov to obtain the appropriate reclamation surety forms. Please provide this increase by March 21, 2014.

Enclosed is a copy of the surety calculations stamped approved. Please incorporate this amendment into your copy of the Notice.

Thank you for your cooperation in providing the updated reclamation cost estimate. Please contact Wayne Western at 801-538-5263 if you have any questions about this action.

Sincerely,

Paul Baker
Minerals Program Manager
